### AN ACT.

To amend Section 2837 of the Revised Statutes as amended March 28th, 1894.

SECTION 1. Be it enacted by the General Assembly of the State of Ohio, that Section 2837 of the Revised Statutes, as amended March 28th, 1894, be amended so as to read as follows:

SECTION 2837. Before any bonds are issued or tax levied, as provided in the next two preceding sections, the question of issuing the bonds shall be submitted to the voters of the township or municipal corporation at a general or special election. And whenever the trustees of any township or hamlet, or the council of any municipal corporation shall by resolution declare it necessary to issue and sell the bonds of such township, hamlet, or municipal corporation, as the case may be, for any or either of the purposes mentioned in section 2835 of the revised statutes, in any amount specified in such resolution, and shall by such resolution fix a date upon which the question of issuing and selling such bonds shall be submitted to the electors of such township, hamlet or municipality, and shall cause a copy of such resolution to be certified to the deputy state supervisors of the county in which such township, hamlet or municipality is situated, or board of election in such cities as have such boards, and such deputy state supervisors, or such board of election, shall within ten days thereafter proceed to prepare the ballots and make all other necessary arrangements for the submission of such question to the electors of such township, hamlet or municipal corporation, at the time fixed in said resolution. Such election shall be held at the regular place or places of voting in such township, hamlet or municipality, and shall be conducted, canvassed and certified in the same manner, except as otherwise provided by law, as April elections in such township, hamlet or municipal corporation for the election of officers thereof. Provided, however, that when a special election for such purposes is held in a municipal corporation divided into wards, there shall be but one voting place in each ward, and each shall be designated by the deputy state supervisors of election, or in cities having a board of election, by such board, and the notice herein-after provided for shall designate the voting place in each ward. In all cities in which registration is required, registration shall not be necessary, except when transfers are required from one ward to another, and the board of elections of all such cities shall issue all such removal certificates.

Fifteen days' notice of the submission of the question to the electors shall be given in one or more newspapers, printed therein, once a week for two consecutive weeks, stating the amount of bonds to be issued, the purpose for which they are to be issued, and the time and place of holding the election; and if no newspaper is printed therein, the notice shall be posted in a conspicuous place and published once a week for two consecutive weeks in some newspaper of general circulation in the township or municipal corporation; and if two-thirds of the voters voting at such election upon the question of issuing the bond, vote in favor thereof, then and not otherwise the bonds shall be issued and the tax levied.

Those who vote in favor of the proposition shall have written or printed on their ballots "For the issue of bonds," and those who vote against the same shall have written or printed on their ballots the words "Against the issue of bonds."

SECTION 2. That said section 2837 of the Revised Statutes as amended March 28th, 1894, be, and the same is hereby repealed.

SECTION 3. This act shall take effect and be in force from and after its passage.

Will Go to Napoleon.

[Defiance Evening News April 17, 1894.]

The members of St. John's Dramatic company have perfected arrangements to produce the German drama "Ein Weihnachts Vorabend," at Napoleon the evening of April 26. The dramatic club put this play on at St. John's hall early in February, and those who witnessed the production, are loud in their praises. The story of the play is sweetly and pathetically told, and in the hands of the St. John's club, is interpreted in a pleasing and finished manner. The club numbers among its members some excellent amateur dramatic talent, and our neighbors will find the entertainment worth of their patronage.

The Opera House should be filled and our Defiance neighbors given a hearty welcome. During the play a quartette consisting of German songs and Mr. C. Goller and the Ufer Bros. will render some fine music on their zithers. Admission only 25 cents reserved seats secured on and after Saturday at Saur & Balsley's.

We are showing beautiful laces for dress trimmings in black and cream. 2t

COMING PIONEER ASSOCIATION.

A Toledo Gentleman Writes Concerning the Big Meeting to be Held at Defiance.

Dennison B. Smith writing in the Toledo Bee says:

To the Editor: Something has been said in your paper concerning the celebration of the 100th anniversary of Gen. Wayne's victory at the battle of Fallen Timbers. It may not have been known by the members of that association, that at the last meeting of the Mammes Valley Pioneers' Association, it was agreed, that its anniversary should be celebrated by them at their next meeting, which will be held at Fort Defiance on the date in August corresponding with the day of this battle. Great preparations will be made by the people of Defiance, for this event, which will be held at the old Fort. We may overdo this celebration business by two attempts, and at different points, but this will arouse the highly useful organization of the Mammes Valley Gentlemen co-operate with the Pioneers and have a rousing meeting with a distinguished orator. Defiance expects this and will prepare to entertain most royally the members of the associations. Let us join hands for a big meeting and an outpouring of patriotism that will arouse interest in preserving the battle grounds on the river.
